

Dear OK sailing friends,

It is less than two months to the Nordic Championship for OK-dinghies in Varberg. For the moment we are not allowed to race due to the restrictions in Sweden and the corona situation in Sweden is not good. The region Halland, where Varberg is in the middle, has the last month been badly affected by the virus and the beds for intensive care in our hospitals are more or less fully occupied, so the situation is a lot worse than last year when we decided to postpone the championship to 2021. At the same time vaccination is going on, and it is getting warmer which might give us a better situation in mid June, so we continue planning for the Nordics 2021 June 12-13.

In the beginning of May new decisions will come from the authorities on the restrictions.

The club has booked Getterögården where it will be possible to put up a tent, park your camper or caravan, or rent a room (simple standard – you bring your own linen and tidy up yourself when you leave). Our intention was to serve breakfast to the sailors here as well, but it depends on the corona situation.

We need to know the interest in staying here. If few sailors are interested in staying at Getterögården, the club needs to cancel the booking to avoid the costs.

To make it simple we have decided on a standard price of SEK 400 for two nights for a tent, a caravan or a camper and per person in a room.

If you are interested in staying at Getterögården, please send an e-mail, may 5th the latest, to varbergsannalena@hotmail.com. Notify: room, tent, camper or caravan + number of persons.

The booking you do is just preliminary and you won't have to pay anything if you change your mind.

If you want to take a closer look at Getterögården: <https://getterogarden.se/>

Best regards

Race committee 2021 Nordic Championship for OK-dinghies
